

## Side 9: Friar Laurence and Romeo

### ACT 2, SCENE III. Friar Laurence's cell.

*Enter FRIAR LAURENCE DS Left with a basket with flowers in it*

*Props: A basket with some flowers etc in it.*

*Perhaps some light music that speaks of nature to underscore his entrance*

#### FRIAR LAURENCE

The grey-eyed morn smiles on the frowning night,  
Chequering the eastern clouds with streaks of light,  
And flecked darkness like a drunkard reels  
From forth day's path and Titan's fiery wheels:  
Now, ere the sun advance his burning eye,  
The day to cheer and night's dank dew to dry,  
I must up-fill this osier cage of ours  
With baleful weeds and precious-juiced flowers.  
Many for many virtues excellent,  
None but for some and yet all different.  
O, mickle is the powerful grace that lies  
In herbs, plants, stones, and their true qualities:  
For nought so vile that on the earth doth live  
But to the earth some special good doth give,  
Within the infant rind of this small flower  
Poison hath residence and medicine power:  
For this, being smelt, with that part cheers each part;  
Being tasted, slays all senses with the heart.  
Two such opposed kings encamp them still  
In man as well as herbs, grace and rude will;  
And where the worser is predominant,  
Full soon the canker death eats up that plant.

*Enter ROMEO*

#### ROMEO

Good morrow, father.

#### FRIAR LAURENCE

Benedicite!  
What early tongue so sweet saluteth me?  
Young son, it argues a distemper'd head  
So soon to bid good morrow to thy bed:  
Care keeps his watch in every old man's eye,  
And where care lodges, sleep will never lie;  
But where unbruised youth with unstuff'd brain  
Doth couch his limbs, there golden sleep doth reign:  
Therefore thy earliness doth me assure

Thou art up-roused by some distemperature;  
Or if not so, then here I hit it right,  
Our Romeo hath not been in bed to-night.

**ROMEO**

That last is true; the sweeter rest was mine.

**FRIAR LAURENCE**

God pardon sin! Wast thou with Rosaline?

**ROMEO**

With Rosaline, my ghostly father? No;  
I have forgot that name, and that name's woe.

**FRIAR LAURENCE**

That's my good son: but where hast thou been, then?

**ROMEO**

I'll tell thee, ere thou ask it me again.  
I have been feasting with mine enemy,  
Where on a sudden one hath wounded me,  
That's by me wounded: both our remedies  
Within thy help and holy physic lies:  
I bear no hatred, blessed man, for, lo,  
My intercession likewise steads my foe.

**FRIAR LAURENCE**

Be plain, good son, and homely in thy drift;  
Riddling confession finds but riddling shrift.

**ROMEO**

Then plainly know my heart's dear love is set  
On the fair daughter of rich Capulet:  
As mine on hers, so hers is set on mine;  
And all combined, save what thou must combine  
By holy marriage: when and where and how  
We met, we woo'd and made exchange of vow,  
I'll tell thee as we pass; but this I pray,  
That thou consent to marry us to-day.

**FRIAR LAURENCE**

Holy Saint Francis, what a change is here!  
Is Rosaline, whom thou didst love so dear,  
So soon forsaken? Young men's love then lies  
Not truly in their hearts, but in their eyes.  
Jesu Maria, what a deal of brine  
Hath wash'd thy sallow cheeks for Rosaline!  
And art thou changed? Pronounce this sentence then,  
Women may fall, when there's no strength in men.

**ROMEO**

Thou chid'st me oft for loving Rosaline.

**FRIAR LAURENCE**

For doting, not for loving, pupil mine.

**ROMEO**

And bad'st me bury love.

**FRIAR LAURENCE**

Not in a grave,  
To lay one in, another out to have.

**ROMEO**

I pray thee, chide not; she whom I love now  
Doth grace for grace and love for love allow;  
The other did not so.

**FRIAR LAURENCE**

O, she knew well  
Thy love did read by rote and could not spell.  
But come, young waverer, come, go with me,  
In one respect I'll thy assistant be;  
For this alliance may so happy prove,  
To turn your households' rancour to pure love.

**ROMEO**

O, let us hence; I stand on sudden haste.

**FRIAR LAURENCE**

Wisely and slow; they stumble that run fast.

*Exeunt DS Left*
